

RESOURCE FOR WJEC UNIT 1: ISSUES OF LIFE AND DEATH

This resource gives teachers and learners the opportunity to engage with a powerful pro-life perspective on issues around abortion, sanctity of life and quality of life.

The Religious Studies specification demands a balanced view of such sensitive topics and, therefore, teachers and learners may also wish to consider the pro-choice perspectives given in the following resources:

Shalome is now 20 months old and doing well, although her parents are aware that they do not have her forever. They are making every day count!

Shalome's mother, who is a teacher herself, is available to talk to your students either in person or via Skype. You can contact her at the email address below.
