

## Worksheet 3 – Three waves of liberal democracy – countries and democratic waves

Place a ✓ in the correct column to match the country to the period.

|              | 1828-1926 | 1943-1962 | 1974-2003 |
|--------------|-----------|-----------|-----------|
| Spain        |           |           |           |
| Poland       |           |           |           |
| Japan        |           |           |           |
| West Germany |           |           |           |
| UK           |           |           |           |
| Argentina    |           |           |           |
| France       |           |           |           |
| Italy        |           |           |           |
| India        |           |           |           |
| Greece       |           |           |           |
| USA          |           |           |           |
