## Political concepts and theories

## Worksheet 2 - Tradition - Justification

Place a  $\checkmark$  in the correct column to match the key words to the appropriate column heading

|  | Religious<br>Justification | Historical Justification | Psychological Justification |
|--|----------------------------|--------------------------|-----------------------------|
| God given customs and practices                                |                            |                          |                             |
| Tested by time   |                            |                          |                             |
| Security   |                            |                          |                             |
| Rootedness   |                            |                          |                             |
| The British monarchy embodies historical wisdom and experience |                            |                          |                             |
| Natural law  |                            |                          |                             |
| Institutions have survived a process of 'natural selection'    |                            |                          |                             |
| Identity   |                            |                          |                             |
| Edmund Burke – 'the law of our creator'                        |                            |                          |                             |
| Fundamentalists  |                            |                          |                             |
| Belonging  |                            |                          |                             |
| The wisdom of the past   |                            |                          |                             |
